Profile

Currently in the 3rd year of a Bachelor's in Audit, Finance, and Consulting, I am looking for a work-study position (apprenticeship) to develop my skills and apply my knowledge in a professional environment. Thanks to a diverse background (intensive scientific preparatory class and demanding academic experiences), I have acquired analytical rigor and strong adaptability. With a solid theoretical and practical foundation, I wish to deepen my experience in audit, financial analysis, and consulting missions.

Professional Experience

Junior Financial Controller　　　　　　　　　　　　　　　　　　　　　　　　**Paris**
Tandem (Startup)　　　　　　　　　　　　　　　　　　　　　　　　　　　　*2024-2025*
Business Plan Construction: Financial modeling and forecasting to support growth strategy.
Performance Management: Implementation of management tools, KPI monitoring, and financial reporting.
Client Management: Client relationship follow-up and billing oversight.

Education

Bachelor in Audit, Finance and Consulting (3rd year – Top of the class)
ENGDE Paris　　　　　　　　　　　　　　　　　　　　　　　　　　　　　　*2024–*
Coursework examples: Management Accounting, Taxation, Financial Mathematics, Corporate Law, Financial Statement Analysis and Forecasting, International Economics, Financial Audit, Treasury Management, Project Management.

Scientific Preparatory Class (PCSI)
Lycée Pierre d'Ailly, Compiègne　　　　　　　　　　　　　　　　　　　　　*2023–2024*
Key skills acquired: Scientific rigor, programming skills, understanding of computer languages, management of a dense schedule (49h/week).

PASS – First Year of Medical Studies
UPJV, Amiens　　　　　　　　　　　　　　　　　　　　　　　　　　　　　　*2022–2023*
Key skills acquired: High autonomy, organization, fast learning curve.

French Baccalauréat (High School Diploma) in Mathematics and Physics – with Honors
Institut Saint Dominique, Mortefontaine　　　　　　　　　　　　　　　　　　*2018–2022*
Key skills acquired: Benevolence, work ethic, logical thinking.

Skills

Technical: Mathematics, Accounting, Taxation, Programming (Python, VBA, AI, COBOL, HTML/CSS, LaTeX), MS Office (Excel, PowerPoint, Word), GitHub, VS Code.

Soft Skills: Curiosity, rigor, communication, teamwork, adaptability, logical thinking, high work capacity, ingenuity.

Languages: English (C1, internship in England), Spanish (B1), German (A1).

Personal Projects

Mini-ALADDIN: Financial portfolio optimization using Ledoit-Wolf and prediction (Python).

Benford Detector: Anomaly detection in corporate financial data via Benford's Law (Python).

Portfolio Web: Creation of a personal website (HTML/CSS/JS) to showcase projects.

Interests

Formula 1, Cinema, Tennis, Padel, Music, Sciences, Financial Markets, Computer Science/IT.
